EVALUATION SHEET

FIELD REPORT NO. MORA-10300	
SUBJECT Uranium Ore Transport from Czechoslovakia	
DATE OF EVALUATION 17 December 1951	SOURCE Gambio
VALUE TO CUSTOMER	
EVALUATION OF CONTENT	

CUSTOMER COMMENT:

ZACALIOO

The train shipments of uranium ore across Czechoslovakia, listed in this report, have not been previously reported and therefore, we have not any means of determining the validity.

The route taken has been previously reported and seems to be correct.

ZACAPON

On the contrary, the chief significance of the report is that the shipments are moved by truck, reversing the earlier belief that all uranium traffic left the Erzgebirge area via train.

HEADQUARTERS' COMMENT:

DECLASSIFIED AND RELEASED BY
CENTRAL INTELLIGENCE AGENCY
